The Wheat Growers' Meeting.

Last Monday at 12 o'clock a large crowd of farmers from various sections of the county assembled in the Court House to elect delegates to the Wheat Growers' Convention, which will be held in Greenwood next Tuesday, 15th inst.

The meeting was called to order by Hon. B. F. Crayton, who briefly stated the object of the meeting, and moved that Col. D. K. Norris be called to the chair. This motion was unanimously adopted and Col. Norris took the chair. Mr. Jas. Harris was elected Secretary.

Speeches were made by Congressman Latimer, Hon. J. B. Watson, Hon. J. W. Ashley and others, all of whom favored expansion in the acreage of wheat in this section.

The following delegates were elected to attend the convention in Greenwood: Messrs. T. L. Clinkscapes, Jr., J. B. Watson, A. C. Latimer, J. W. Ashley, R. P. Clinkscapes and P. H. Brown; alternates, Messrs. S. N. Browne and B. C. Martin.

The following resolution was unanimously adopted, and the delegates were requested to present it to the Convention:

Resolved, That Secretary Wilson be respectfully asked to institute, through the representatives of this great country, throughout the wheat growing countries of the world, a search for rust-proof wheat adapted as are rust-proof oats to our climate; with the assurance to him that is all that is needed to make this a successful wheat producing section, and that our thanks will follow him through life for what will be to us a greater gift than a mine of gold.

The convention at Greenwood promises to be a large and successful meeting and Anderson County will be ably represented by the delegates she has selected. Prominent agriculturists and experienced wheat growers from other States will be present, and questions of a practical and helpful nature will be freely discussed.

The hotels and railroads will give reduced rates to all who attend the convention.

Meeting of Democratic Executive Committee.

ANDERSON, S. C., Aug. 5, 1899. A meeting of the County Democratic Executive Committee was held to-day at 11 o'clock a. m., pursuant to a call of the chairman. The chairman stated the object of the meeting to be whether the Committee would order a primary election to name a person to fill the vacancy caused by the resignation of W. P. Snelgrove as County Supervisor, the matter having been referred to them by the Governor of the State and the Senator and members of the House of Representatives from this County.

The following resolution was adopted:

Whereas, His Excellency, the Governor, has referred the resignation of W. P. Snelgrove, as County Supervisor, to the Senator and members of the House of Representatives of Anderson County with the request that they recommend some suitable person to be appointed to fill the vacancy caused by said resignation, or that the person be named by a primary election, under the rules of the Democratic party; and, whereas, the said Senator and members of the House have requested that the County Democratic Executive Committee order a primary election to nominate a successor to the said W. P. Snelgrove. Therefore be it

Resolved, That a primary election be held in Anderson County to name said successor on the 22nd day of August, A. D., 1899, which said election shall be governed by the rules of the party, and should no one receive a majority of the votes cast at said election, a second primary election will be held on the 29th day of August following.

The polls will be open at 8 o'clock a. m., and close at 6 o'clock p. m. The Executive Committee will meet at 12 m., the day after the election, to tabulate the vote and declare the result.

The officers of the clubs are authorized and requested to appoint the managers of their respective clubs for said elections, and the executive committee of each club is requested to see that the managers are provided with boxes, blank oaths, &c.

The following resolutions were adopted:

Resolved, That each candidate, before the primary election, shall pay the sum of two dollars on or before 12 o'clock m., on the 12th day of August, 1899, which assessment is made to defray the necessary expenses of the election, and that the surplus of the fund so raised, after paying the expenses, be refunded to the defeated candidates, pro rata.

Resolved, That where two or more clubs exist in any one town they shall have the right to consolidate their votes and have only one box for voting.

A Tribute of Respect.

Sunday afternoon, July 9, 1899, at Cashier's, N. C. Capt. Thomas F. Hill quietly and peacefully entered into the "rest which remaineth to the people of God."

In the prime of his manhood, in the midst of usefulness, on the sunny slope of life, he fell, pierced with the invincible missiles of death, but he fell with his face toward "the beautiful city of God."

Brother Hill was a good man; an intelligent and devoted Methodist; an earnest, active, zealous, consecrated Christian; a wise, faithful, efficient and successful Sunday School teacher. By his cheerful, gentle, loving spirit in the home; by his diligence and integrity in business life; by his upright and godly walk; by his close study and consistent practice of the Word of God, he showed forth in his daily life the manly virtues and the moral excellencies of Jesus Christ, whose he was and whom he delighted to serve. Therefore, be it

Resolved, By the officers and teachers of the St. John's Sunday School of the M. E. Church, South:

I. That in the death of Capt. Hill we have lost a most earnest, devoted, efficient, faithful and exemplary co-worker in the Sunday School cause.

II. That in our sad loss we recognize the voice of Him who said: "What I do thou knowest not now; but thou shalt know hereafter;" and, therefore, confidently bow in humble submission to the will of our Heavenly Father, who doeth all things in love and wisdom.

III. That a copy of these proceedings be sent to his sorely bereaved wife and children, with the assurance that our deepest sympathies go out to them, and that our fervent prayer is that into their lives may ever come the riches of Divine grace and the everlasting consolations of the Gospel of Jesus Christ.

MAUDE T. PAYNE, Sec. of Sunday School.

Breezes From Rocky River.

Hot, dry, sultry, dusty weather, protracted meetings, picnics and the grand reunion are the thoughts and talks of nowadays.

Quite a number of our young people went to a most enjoyable picnic last Friday at Price's Mill. Each and every one went home fully satisfied with the pleasures that they had through that day. Young people, cry for another one.

Miss Alice Hall, one of Greenville's charming young ladies, is visiting relatives and her many friends in this community.

Mr. Ben. Roe, an accomplished young gent of Pickens County, is visiting his brother, Mr. R. M. Roe, of this section.

Miss Sallie Creswell, of Troy, S. C., has been visiting her sister, Mrs. W. G. Moore, of this section.

Rev. G. M. Rodgers, formerly pastor of this Church, spent last Saturday night with Mr. and Mrs. J. J. Gailley, of this section.

Mr. George McMahan and mother visited relatives in Georgia last week. They report a very pleasant time in all their visits.

One of the lowest down tricks a young dude can be guilty of is to insult a nice young lady in the presence of a crowd. But there are some people that have not enough good sense and training to act anything else but a little fool.

Well, Mr. Editor, considering the hot and dry, unpleasant weather we are having, our people seem to be taking it "the best" they possibly can, and are enjoying life to their fullest.

The protracted meetings are going on down this way, and our people are regularly attending them. We do hope and trust that they may get rich rewards for their faithfulness.

Rev. Wm. Brown closed a good meeting at Keowee Sunday. He baptized six, who made a confession of their sins, and said by their acts that they were tired of this world's wicked pleasures.

Rev. W. B. Hawkins is successfully carrying on a meeting this week at Barber's Creek. The meetings are well attended and Mr. Hawkins, as an earnest and faithful preacher, is doing much good. May the Lord bless and stand by him in the fervent wish of his writer.

Messrs. J. N. and M. M. Shirley, two of our industrious farmers, went to Clemson College one day last week. The former has a mineral spring on his farm and carried five gallons to have it analyzed. If it proves to be a good mineral water, the people of our section can have fine water to drink when their health fails them, and will not have to go to these distant springs.

When Mr. Shirley hears from the College about his water we will report the results.

B. F. Gassaway and daughter, Miss Lizzie, attended the Saluda Association at New Prospect Church last week. They were highly pleased with the kind hospitality given them by the generous people of Prospect.

Prof. T. Earle Elgin, one of our popular teachers, who is in charge of the school at Beach, came up Saturday evening and spent Sunday with his parents. His friend, Russell Sabers, of Antreville, accompanied him, which was very convenient for the latter. We think he has some attraction in our midst, and ere long we may expect to hear of him taking off one of our fair girls. "Cupid's arrows will dart in different directions some times."

Miss Lelia Carville, who has been visiting friends and relatives at Level Land, has returned home.

Crops in this section are better, we have often heard it remarked, than any in this County and adjoining Counties, although we are suffering for rain at present, but if we can just get about two more good rains we will doubtless make the largest yield and excel previous crops.
